

Condor Fact Sheet

Condor is Germany's popular leisure airline and has been taking off to the most beautiful destinations around the world since 1956. The airline carries 9.4 million passengers per year to more than 100 destinations in Europe, Africa, the Caribbean and North America.

Modern environmentally friendly fleet

Long haul aircraft A330neo

Condor is focusing on the latest technology, maximum efficiency and the highest level of customer comfort. Condor renewed its confidence in Airbus by ordering 16 A330neo to replace its fleet of B767 aircraft.

The A330-900neo has 310 seats in total. 30 Business Class, 64 Premium Economy, and 4 Prime Seats. The Airbus A330-200 has 262 seats in total with 22 in business class.

How to Book

GDS (Global Distribution System): IATA

As an accredited IATA agency you have access to our Condor content through all major GDS, such as Amadeus, Sabre, Galileo or Worldspan. Condor flights and fares can be issued via 881 Condor carrier plate / ticket stock.

Extranet

In the Condor Extranet, you can find information about our product, our route network, any news concerning the airline and valuable information that facilitates your sales talk. Simply go to agent.condor.com for your registration.

Group Travel

With Condor you can easily plan group travels, in the IATA as well as Non-IATA area.

A group booking entails the following benefits: an option period of 21 days after booking confirmation. In case of biddings, we are happy to agree upon different option periods.

The following conditions apply:

- Minimum of 10 full paying guests
- Joint destinations airport
- Joint outbound flight

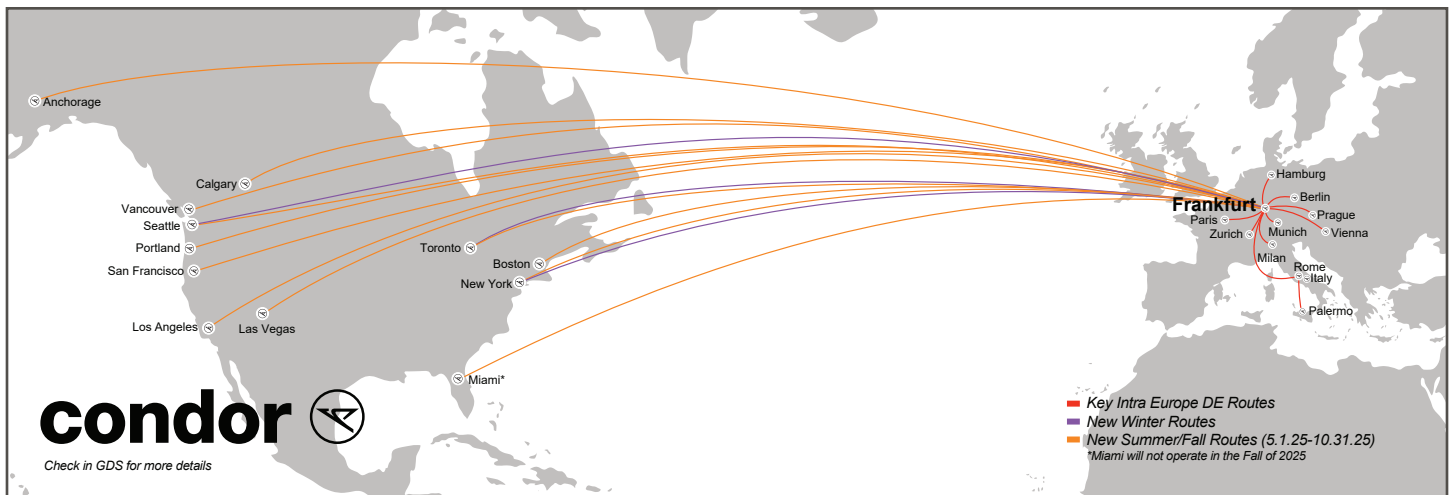

For any inquiries, please contact our Groups lines.
